

HOW TO FIND ME:

Busses from Turku to Mynämäki leave from platforms 4, 6, 7 and 8. Pay for your journey to Kivistönmäki (30km). Busses leave approximately every half an hour. The bus stop where you need to get off is the second stop after Mynämäki's border and the last before the bus turns to the centre of Mynämäki. From the bus stop it is about 500m to my office. First cross the road and go down the footpath (100m) to the next street (Kivistöntie), then turn right down Kivistöntie for about 150m to Harjutie. Turn right again and after about 200m you will be at the junction with Haapatie.

If you plan to come by car you should find road number 8 (Porintie). After passing the Mynämäki border sign take the first left at the junction for Roukkuli, Kivistönmäki. Drive along Kivistöntie for about 1.5km to Harjutie on the left. Drive along Harjutie for about 200m until you get to Haapatie. Park outside the gate next to the stone wall.

PS. PLEASE AVOID USING THE NEIGHBOUR'S ENTERACE WHEN YOU TURN AROUND. THANK YOU.

Welcome!
